Dear Surg Cdr Rashmi Agrawal,

It has always been a pleasure interacting with you. I have fond memories of Naval Health Camp at Kalesi (under Admiral Anil Prakash, then CWS) in 2004 (photo in Coffee Table book, pg. 116).

The book on Army Medical Corps and now MOMDA-2013 (INBR-135) depict your talent, passion and dedication.

All the very best in life.  
With profound regards.
